

## DC51D Zinc Galvanized Steel Pipe ASME 80g Thin Wall Galvanized Tubing Refrigerator Use

Our Product Introduction

### Basic Information

- Place of Origin: China
- Brand Name: Hailian
- Certification: ISO
- Model Number: DC51D
- Minimum Order Quantity: 1 ton
- Price: Negotiation
- Packaging Details: Standard seaworthy packing
- Delivery Time: 3 - 5 work days
- Payment Terms: L/C, T/T
- Supply Ability: 1000 ton per month

### Product Specification

- Name: Galvanized Steel Tubes
- Grade: DC51D
- Thickness: 5mm
- Type: Pipes
- Surface: Falt
- OD: 89mm
- Color: Pure White
- Application: Refrigerator Use
- Standard: ASME
- Technique: Hot - Piped
- Highlight: **DC51D Zinc Galvanized Steel Pipe, Zinc Galvanized Steel Pipe ASME, Thin Wall Galvanized Tubing**

## Product Description

Galvanized Steel Pipe DC51D Zinc Layer 80g 89mm OD 5mm Thickness Customized Pure White Refrigerator Use ASME Standard

### Product Description

Hot dip galvanized steel pipe is widely used in construction, machinery, coal mine, chemical industry, electric power, railway vehicles, automobile industry, highway, bridge, container, sports facilities, agricultural machinery, petroleum machinery, prospecting machinery and other manufacturing industries.

### Product Properties

Product name	galvanized steel pipe tube
item	value
Place of Origin	China
Application	Fluid Pipe, Boiler Pipe, Drill Pipe, Hydraulic Pipe, OIL PIPE, Chemical Fertilizer Pipe, Structure Pipe
Alloy Or Not	Non-Alloy
Section Shape	Round
	21.3mm - 406.4mm
Special Pipe	API Pipe, Other, EMT Pipe, Thick Wall Pipe
Thickness	0.6mm-25mm
Standard	ASTM
Length	12M, 6m
Certificate	API, ce, JIS, GS, ISO9001
Technique	SAW
Grade	steel
Surface Treatment	galvanized
Tolerance	±5%
Processing Service	Welding, Punching, Cutting, Bending, Decoiling
Oiled or Non-oiled	Non-oiled
Invoicing	by actual weight
Delivery Time	31-45 days
Keyword	Widely used, not easy to corrosion

### Company Profile

Shandong Hailian Steel Group has deeply engaged in Chinese domestic market for over 10 years. We established perfect reputation and deep co-operations with large number of reliable partners. Our high-tech factory and well-trained workers are able to manufacture best quality and highly customized metal products. The professional sales team guarantees the perfect trading experience with Hailian.

The goal of Hailian is doing our best to offer our clients best service and product quality with lowest price. We are looking forward to deal business with you!

### FAQ

#### 1.Which payment method can I choose?

Our company accepts all types of secured payment methods. Bank transaction, Paypal and etc are all available from us. Please feel free to contact us about your preferred payment method.

Our company mainly supplies all catalogs and all grades of steel and stainless steel products. Coils, strips, sheet, pipes, bars, beams, flanges and other customized products. Tin coating, Ti coating, galvanization and other surface treatments are also available.

Other than steel products, we also has high production capacity and holds large ready stock of all kinds of copper and aluminum products. Please feel free to consult us about any related products above, we can surely meet your requirements.

#### 3.What is the average lead time?

For samples, the lead time is about 7 days. For mass production, the lead time is 20-30 days after receiving the deposit payment. The lead times become effective when (1) we have received your deposit, and (2) we have your final approval for your products. If our lead times do not work with your deadline, please go over your requirements with your sale. In all cases we will try to accommodate your needs. In most cases we are able to do so.
