

## 4mm BA 201 Stainless Steel Strip Cold Rolled 30mm Width JIS For Construction

### Our Product Introduction

#### Basic Information

- Place of Origin: Jiangsu
- Brand Name: Hailian
- Model Number: 201
- Minimum Order Quantity: 1 ton
- Price: Negotiation
- Packaging Details: Standard seaworthy packing
- Delivery Time: 3 - 5 work days
- Payment Terms: L/C, T/T
- Supply Ability: 1000 ton per month

#### Product Specification

- Name: SS201 Stainless Steel Strip
- Grade: 201
- Thickness: 4mm
- Type: Strip
- Surface: BA
- Size: Customized
- Color: Bright Color
- Application: Container Material
- Standard: JIS
- Technique: Cold Rolled
- Highlight: JIS Stainless Steel Strip For Construction, 4mm 201 Stainless Steel Strip, 30mm Width Stainless Steel Strip

## Product Description

4mm Thickness BA 201 Stainless Steel Strip Cold Rolled 30mm Width JIS For Construction

### Product Description

Stainless steel tape is an extension of an ultra-thin stainless steel plate. In fact, it is also a steel plate used in industry, but it is different from ordinary steel plate, its shape is longer. The application field is also different from the ordinary steel plate. At present, there are many kinds of stainless steel belts, and there are many different production standards. It has been used in many fields. There are many kinds of stainless steel, if according to the standard can be divided into 201 steel belt, 304 steel belt, 316 steel belt and so on. Each standard steel strip is completely different in thickness, length, etc. But they have a standard range, thickness is generally between 0.02mm and 4mm. If according to different types to points, stainless steel belt in the country can be divided into stainless steel coil belt, stainless steel spring belt, stainless steel cold rolled belt and stainless steel polishing belt and so on. Similarly, different stainless steel strips have different applications. Most stainless steel belts are used in construction, industrial production and other fields. Stainless steel belt has many excellent characteristics, such as high temperature resistance, deformation resistance, corrosion resistance, so it can be used in construction and other industries.

### Product Properties

Grade	201/202/301/303/304/304L/316/316L/321/310S/401/409/410/420J1/420J2/430/439/443/444/2205/2507
Surface Finish	2B, BA, NO.1, NO.4, 8K, HL, Embossing, Satin, Mirror, ect
Standard	JIS/SUS/GB/DIN/ASTM/AISI/EN
Technique	Cold Rolled; Hot Rolled
Thickness	0.3-4mm cold rolled; 3-16mm hot rolled; Customized according to customer requirements
Width	10-600mm
Application	Interior/Exterior decoration; Architectur; Evevator; Kitchen; Ceiling; Cabinet; Advertising nameplate; Roof structure; Shipbuilding
Lead Time	7-15 working days after the receipt of 30% deposit
Payment Terms	30% TT for deposit, 70% TT / 70% LC at sight balance before shipment
Price Terms	FOB, EXW, CIF, CFR
Packing	Wooden Pallet or according to customer's requirements

### Company Profile

Shandong Hailian Steel Group has deeply engaged in Chinese domestic market for over 10 years. We established perfect reputation and deep co-operations with large number of reliable patnars. Our high-tech factory and well-trained workers are

able to manufacture best quality and highly customized metal products. The professional sales team guarantees the perfect trading experience with Hailian. The goal of Hailian is doing our best to offer our clients best service and product quality with lowest price. We are looking forward to deal business with you! Our company is willing to provide our copies of company registration certificate and Chinese exporting registration for you to view. These certificates are under Chinese Trading Law effect. They can help you officially check our company's capability and status.

## FAQ

1. Is sample providing service available?

Our company provides free samples to our clients. We usually also cover the sample shipping cost. Please feel free to order a sample from us.

2. Is customization available?

Our factory's expert equipment and highly-trained workers are capable of manufacturing highly customized products. Please feel free to discuss with us about your customized requirements, we can surely meet your needs.

3. What products and materials do you supply?

Our company mainly supplies all catalogs and all grades of steel and stainless steel products. Coils, strips, sheet, pipes, bars, beams, flanges and other customized products. Tin coating, Ti coating, galvanization and other surface treatments are also available.

Other than steel products, we also have high production capacity and hold large ready stock of all kinds of copper and aluminum products. Please feel free to consult us about any related products above, we can surely meet your requirements.
