

Matte Mild Coated Steel Coil 0.2-3mm 400-550 N/Mm2 Tensile Strength

Our Product Introduction

For more products please visit us on sheetstainless-steel.com

Basic Information

- Place of Origin: Shandong
- Brand Name: Hailian
- Certification: Available
- Minimum Order Quantity: 1 ton
- Price: Negotiation
- Packaging Details: Standard packing
- Delivery Time: 3 - 5 days
- Payment Terms: 30% T/T 70% before shipping
- Supply Ability: 50000 ton/month

Product Specification

- Application: Automobile Industry, Construction, Oil & Gas Industry, Pharmaceutical / Chemical Industry, Etc.
- Hardness: Soft, Hard, Half Hard, Quarter Hard, Spring Hard Etc.
- Surface Treatment: Coated
- Surface Finish: Bright, Matte
- Material: Mild Steel
- Coil Weight: 4-25 MT
- Form: Coils, Sheets
- Elongation: 20%
- Highlight: **Matte Mild Coated Steel Coil,
3mm Mild Coated Steel Coil,
550 N/mm2 Mild Steel Coil**

Product Description

Product Description:

Mild Steel Coil is a kind of steel product made of 20# steel. It is mainly used in various industries, such as construction, machinery, shipbuilding and so on. The coil has a width of 1220mm, 1219mm and 1500mm, and a length of 1000-6000mm. It is available in various forms, such as coils, sheets and strips. The hardness of the coil can be soft, hard, half hard, quarter hard or spring hard.

The elongation of the 20# steel coil is 20%. It has excellent mechanical properties, such as high strength, good plasticity and toughness, good weldability, etc. It can be used in various industries and it is also an ideal material for welding, bending and cutting. The 20# steel coil is anti-corrosion and has excellent electrical and thermal conductivity.

Applications:

Mild Steel Coil is widely used in Automobile Industry, Construction, Oil & Gas Industry, Pharmaceutical / Chemical Industry, etc. It can be customized in terms of thickness and is manufactured according to the ASME GB JIS standard. It is available with a width of 1000-2000 mm and a thickness of 0.2-3 mm. The coil weight is 4-25 MT and it is provided with a standard packing. It can offer excellent hardness, including Soft, Hard, Half Hard, Quarter Hard, and Spring Hard. The minimum order quantity is 1 ton while the price ranges from 500 to 550 USD. Delivery time is 3 to 5 days and payment terms are 30% T/T 70% before shipping. The supply ability is 50000 ton/month and the Place of Origin is Shandong.

Customization:

Mild Steel Coil customized service:

Place of Origin: **Shandong**

Certification: **Available**

Minimum Order Quantity: **1 ton**

Price: **500 - 550 USD**

Packaging Details: **Standard packing**

Delivery Time: **3 - 5 days**

Payment Terms: **30% T/T 70% before shipping**

Supply Ability: **50000 ton/month**

Width: **1220mm 1219mm 1500mm**

Elongation: **20%**

Edge: **Mill Edge, Slit Edge**

Length: **1000-6000 Mm**

Thickness: **0.2-3 Mm**

Material: **Carbon Steel Coil, HRC, HRC coil, Mild Steel Coil**

Support and Services:

Mild Steel Coil Technical Support and Services

We provide the following technical support and services for Mild Steel Coil:

Product selection assistance and advice

Installation and maintenance guidance

Troubleshooting and problem resolution

Spare parts and accessories

Warranty and repair services

If you have any questions or would like to know more about Mild Steel Coil, please do not hesitate to contact us.

Packing and Shipping:

Mild steel coil is typically packaged in the following manner for shipping:

The coil is first wrapped in a protective paper or plastic sheet

Then it is wrapped with a metal banding or a plastic strap for securement

The coil is then placed in a wooden or cardboard box for storage and protection during shipping

FAQ:

Q1: What is Mild Steel Coil?

Answer: Mild Steel Coil is a kind of steel coil which is made of low carbon steel, also known as plain carbon steel.

Q2: Where is Mild Steel Coil from?

Answer: Mild Steel Coil is from Shandong, China.

Q3: What's the certification of Mild Steel Coil?

Answer: Mild Steel Coil is available with certification.

Q4: What's the minimum order quantity for Mild Steel Coil?

Answer: The minimum order quantity for Mild Steel Coil is 1 ton.

Q5: What's the price range for Mild Steel Coil?

Answer: The price range for Mild Steel Coil is 500 - 550 USD.
