

Slit Edge Mild Steel Sheets Coil 1000-6000 Mm Length 4-25 MT Weight

Our Product Introduction

For more products please visit us on sheetstainless-steel.com

Basic Information

- Place of Origin: Shandong
- Certification: Available
- Minimum Order Quantity: 1 ton
- Price: Negotiation
- Packaging Details: Standard packing
- Delivery Time: 3 - 5 days
- Payment Terms: 30% T/T 70% before shipping
- Supply Ability: 50000 ton/month

Product Specification

- Width: 1000-2000 Mm
- Elongation: 20%
- Edge: Mill Edge, Slit Edge
- Form: Coils, Sheets
- Coil ID: 1219/1220/1500 Mm
- Surface Treatment: Coated
- Thickness: 0.2-3 Mm
- Material: Mild Steel
- Highlight: **Slit Edge Mild Steel Sheets Coil,
6000 Mm Mild Sheets Coil,
25MT Mild Sheets Coil**

Product Description

Product Description:

Mild steel coil is a type of steel with a low carbon content and good overall properties. It is widely used in the Automobile Industry, Construction, Oil & Gas Industry, Pharmaceutical / Chemical Industry and other applications. Mild steel coil has a yield strength of 240N/mm² (MPa), tensile strength of 400-550N/mm² and coil weight of 4-25MT. It is available in 1220mm, 1219mm and 1500mm widths and 20# steel coil. Mild steel coil has excellent weldability, good machinability and good formability, making it the perfect choice for a variety of applications.

Applications:

Mild Steel Coil is a carbon steel coil made in accordance with ASME GB JIS standards. It originates from Shandong and is available with certification. The minimum order quantity is 1 ton, with the price range of 500 - 550 USD. It is packaged in standard packing and delivered in 3 - 5 days. Payment terms are 30% T/T 70% before shipping and supply ability is 50000 ton/month. The available Coil ID is 1219/1220/1500 mm and it can be supplied in coils, sheets. The available surface finishes are bright and matte, and the hardness range is from soft to spring hard. The edges are available as mill edge or slit edge.

Customization:

Mild Steel Coil Customized Service

We offer customized service for **Q235 MS Sheets Coil** with **Steel Coil** manufactured to meet ASME GB JIS standard. Our **mild steel coil** are available in various coil thickness with a price range of **500 - 550 USD**.

Place of Origin: Shandong

Certification: Available

Minimum Order Quantity: 1 ton

Price: 500 - 550 USD

Packaging Details: Standard packing

Delivery Time: 3 - 5 days

Payment Terms: 30% T/T 70% before shipping

Supply Ability: 50000 ton/month

Hardness: Soft, Hard, Half Hard, Quarter Hard, Spring Hard Etc.

Form: Coils, Sheets

Thickness: 0.2-3 Mm

Material: Mild Steel

Edge: Mill Edge, Slit Edge

Support and Services:

At **Mild Steel Coil**, we provide a wide range of technical support and services to help you find the right product for your needs and ensure that the product is set up and functioning properly.

We offer a variety of services, including:

Expert product advice and recommendations

Installation and setup assistance

On-site or remote technical support

Product repairs and replacement parts

Consulting services

Training and education

We are dedicated to meeting your needs and providing you with superior customer service. Contact us today to learn more about our technical support and services.

Packing and Shipping:

Packaging and Shipping of Mild Steel Coil:

The Mild Steel Coil will be wrapped in waterproof plastic film, then be packed in wooden boxes or pallets. The package will be sealed for extra protection and marked with product information on the outside. The Mild Steel Coil will be shipped by air or sea freight, depending on the customer's needs.

FAQ:

Q: What is Mild Steel Coil?

A: Mild Steel Coil is a metal product which is made from low carbon steel.

Q: Where is Mild Steel Coil made?

A: Mild Steel Coil is made in Shandong, China.

Q: Is certification available for Mild Steel Coil?

A: Yes, certification is available for Mild Steel Coil.

Q: How many tons are the minimum order quantity for Mild Steel Coil?

A: The minimum order quantity for Mild Steel Coil is 1 ton.

Q: What is the price range for Mild Steel Coil?

A: The price range for Mild Steel Coil is between 500 - 550 USD.

Q: What is the packaging details for Mild Steel Coil?

A: The packaging details for Mild Steel Coil is Standard packing.
