

## Q345 Mild Steel Sheets Coil Mill Edge 0.2-3mm 20% Elongation

Our Product Introduction

For more products please visit us on [sheetstainless-steel.com](http://sheetstainless-steel.com)

### Basic Information

- Place of Origin: Shandong
- Brand Name: Hailian
- Certification: Available
- Minimum Order Quantity: 1 ton
- Price: Negotiation
- Packaging Details: Standard packing
- Delivery Time: 3 - 5 days
- Payment Terms: 30% T/T 70% before shipping
- Supply Ability: 50000 ton/month

### Product Specification

- Coil ID: 1219/1220/1500 Mm
- Width: 1000-2000 Mm
- Form: Coils, Sheets
- Edge: Mill Edge, Slit Edge
- Length: 1000-6000 Mm
- Coil Weight: 4-25 MT
- Hardness: Soft, Hard, Half Hard, Quarter Hard, Spring Hard Etc.
- Elongation: 20%
- Highlight: **Q345 Steel Coil Sheets,  
Mild Steel Sheets Coil Mill Edge**

## Product Description

### Product Description:

Mild Steel Coil is a type of steel that is produced from low carbon steel with a very low amount of manganese. It is a highly versatile product that is available in various surface finishes, hardness levels, and tensile strengths. Mild Steel Coil is used in a variety of industries for a variety of applications, including automotive, construction, and manufacturing.

Mild Steel Coil is available in different surface finishes, such as bright, matte, and galvanized. It is also available in various hardness levels, such as soft, hard, half hard, quarter hard, and spring hard. The tensile strength of Mild Steel Coil ranges from 400-550 N/mm<sup>2</sup>. The coil can be produced in various forms, such as coils, sheets, and strips. Mild Steel Coil is available in widths ranging from 1219mm, 1220mm, and 1500mm.

### Applications:

Mild Steel Coil is a kind of carbon steel coil made of low carbon and low alloy steel. It has a yield strength of 240 N/mm<sup>2</sup> (MPa). It is widely used in various fields due to its advantages of good formability, good weldability, good corrosion resistance, good strength and low cost.

Mild Steel Coils are available in various forms such as coils, sheets, and plates. The coil weight ranges from 4-25 MT, with mill edge or slit edge. Its surface can be treated with coating, galvanizing, and so on.

Mild Steel Coil is originated from Shandong and can be certified on request. The minimum order quantity is one ton and the price ranges from 500 to 550 USD per ton according to the quantity. The standard packing is applied for delivery, and it usually takes 3-5 days to deliver the goods. The payment terms are 30% T/T in advance and 70% before shipping. The supply ability is up to 50000 tons per month.

### Customization:

Customized Mild Steel Coil

Place of Origin: Shandong

Certification: Available

Minimum Order Quantity: 1 ton

Price: 500 - 550 USD

Packaging Details: Standard packing

Delivery Time: 3 - 5 days

Payment Terms: 30% T/T 70% before shipping

Supply Ability: 50000 ton/month

Form: Coils, Sheets

Surface Finish: Bright, Matte

Length: 1000-6000 Mm

Hardness: Soft, Hard, Half Hard, Quarter Hard, Spring Hard Etc.

Material: Mild Steel

Customized Thickness

ASME GB JIS standard

Carbon Steel Coil

### Support and Services:

Mild Steel Coil Technical Support and Service:

Providing technical advice on product selection and applications.

Providing training on product installation and usage.

Providing after-sales service.

Providing regular product maintenance.

Providing customer support.

### Packing and Shipping:

Mild Steel Coil Packaging and Shipping:

Mild steel coils typically come in a variety of sizes and shapes, and can be easily packaged for shipping. The coils can be secured with packaging tape, shrink wrap, or even bubble wrap for extra protection. Additionally, it is important to make sure that the coils are properly strapped and secured to a pallet for safe shipping. It is also important to note that the pallet should be labeled with the necessary shipping information, such as the address, weight, and dimensions of the shipment.

### FAQ:

**Q:** What is the Place of Origin of Mild Steel Coil?

**A:** The Place of Origin of Mild Steel Coil is Shandong.

**Q:** Is Certification available for Mild Steel Coil?

**A:** Yes, Certification is available for Mild Steel Coil.

**Q:** What is the Minimum Order Quantity for Mild Steel Coil?

**A:** The Minimum Order Quantity for Mild Steel Coil is 1 ton.

**Q:** How much is the Price of Mild Steel Coil?

**A:** The Price of Mild Steel Coil is 500 - 550 USD.

**Q:** What is the Packaging Details of Mild Steel Coil?

**A:** The Packaging Details of Mild Steel Coil is Standard packing.
