

## 20% Elongation Mild Coated Steel Sheets Coil With Matte Surface Finish

### Our Product Introduction

For more products please visit us on [sheetstainless-steel.com](http://sheetstainless-steel.com)

#### Basic Information

- Place of Origin: Shandong
- Brand Name: Hailian
- Certification: Available
- Minimum Order Quantity: 1 ton
- Price: Negotiation
- Packaging Details: Standard packing
- Delivery Time: 3 - 5 days
- Payment Terms: 30% T/T 70% before shipping
- Supply Ability: 50000 ton/month

#### Product Specification

- Width: 1000-2000 Mm
- Hardness: Soft, Hard, Half Hard, Quarter Hard, Spring Hard Etc.
- Coil ID: 1219/1220/1500 Mm
- Form: Coils, Sheets
- Thickness: 0.2-3 Mm
- Tensile Strength: 400-550 N/mm2
- Material: Mild Steel
- Surface Treatment: Coated
- Highlight: **Mild Coated Steel Sheet Coil,  
20% Elongation Mild Steel Coil,  
Mild Steel Coil with Matte Surface**

## Product Description

### Product Description:

Mild Steel Coil is a kind of Q345 Steel Coil Sheets with customized thickness, which offers high yield strength of up to 240 N/mm<sup>2</sup> (MPa). This coil is available in various forms, including coils and sheets, with a variety of surface finishes such as bright and matte. It also offers a wide range of lengths from 1000 to 6000 Mm and two types of edges: mill edge and slit edge. Mild Steel Coil is a perfect choice for various applications, including construction, automotive, and engineering.

### Applications:

Mild Steel Coil is a type of Q345 Steel Coil Sheets made from carbon steel. It is available with different thicknesses for different applications, and can be customized according to customer needs. The hot rolled steel coil is usually 4-25 MT in weight, and is available with a Mill Edge or a Slit Edge. A surface treatment of coating is provided, and it can also have a bright or matte finish. The length of the Mild Steel Coil is usually 1000-6000 mm. The Place of Origin is Shandong, and it has a certification. The minimum order quantity is 1 ton, and the price range is 500-550 USD. The Packaging Details are standard, and the Delivery Time is 3-5 days. The Payment Terms are 30% T/T 70% before shipping, and the Supply Ability is 50000 ton/month.

### Customization:

Mild Steel Coil Customization Service

Place of Origin: Shandong

Certification: Available

Minimum Order Quantity: 1 ton

Price: 500 - 550 USD

Packaging Details: Standard packing

Delivery Time: 3 - 5 days

Payment Terms: 30% T/T 70% before shipping

Supply Ability: 50000 ton/month

Surface Finish: Bright, Matte

Width: 1000-2000 Mm

Application: Automobile Industry, Construction, Oil & Gas Industry, Pharmaceutical / Chemical Industry, Etc.

Form: Coils, Sheets

Length: 1000-6000 Mm

Customized Thickness: 1220mm 1219mm 1500mm width

Pleasant Surface Finish: Bright, Matte

### Support and Services:

At **Mild Steel Coil**, our technical support team is committed to providing excellent customer service and support. We offer a wide range of services, including:

24/7 customer support

Technical advice and support

Product installation and troubleshooting

Product updates and upgrades

Product repair and maintenance

We strive to provide our customers with the highest quality service and support. Our team is available to assist you with any questions or concerns you may have, and we are happy to help you find the best solution for your needs.

### Packing and Shipping:

Packaging and Shipping for Mild Steel Coil:

Mild Steel Coil will be securely packaged to protect against damage and moisture during transport and storage. It will be packed in bundles, each bundle secured with straps and/or pallets, and each bundle will be clearly labeled with product information.

Mild Steel Coil will be shipped via standard truck, rail, or ocean freight, depending on the size and weight of the order. Shipping costs will be included in the final cost of the order.

### FAQ:

**Q1: What is Mild Steel Coil?**

**A1:** Mild Steel Coil is a type of steel that has low carbon content and is used for making products like furniture and appliances.

**Q2: Where is Mild Steel Coil from?**

**A2:** Mild Steel Coil is from Shandong, China.

**Q3: What certifications are available for Mild Steel Coil?**

**A3:** Certifications for Mild Steel Coil are available upon request.

**Q4: What is the minimum order quantity for Mild Steel Coil?**

**A4:** The minimum order quantity for Mild Steel Coil is 1 ton.

**Q5: What is the price range for Mild Steel Coil?**

**A5:** The price range for Mild Steel Coil is 495 - 540 USD per ton.
