

Coated Mild Slit Edge Steel Sheet 1220mm 1219mm 1500mm

Our Product Introduction

For more products please visit us on sheetstainless-steel.com

Basic Information

- Place of Origin: Shandong
- Brand Name: Hailian
- Certification: Available
- Minimum Order Quantity: 1 ton
- Price: Negotiation
- Packaging Details: Standard packing
- Delivery Time: 3 - 5 days
- Payment Terms: 30% T/T 70% before shipping
- Supply Ability: 50000 ton/month

Product Specification

- Length: 1000-6000 Mm
- Yield Strength: 240 N/mm² (MPa)
- Material: Mild Steel
- Elongation: 20%
- Thickness: 0.2-3 Mm
- Edge: Mill Edge, Slit Edge
- Hardness: Soft, Hard, Half Hard, Quarter Hard, Spring Hard Etc.
- Surface Finish: Bright, Matte
- Highlight: **Coated Mild Slit Edge Steel Sheet,
Mild Slit Edge Steel Sheet 1220mm,
1500mm Mild Steel Sheet**

Product Description

Product Description:

Mild Steel Coil is a product manufactured with carbon steel, with a width of 1219mm 1220mm and 1500mm, and a length of 1000-6000mm. It is available with either a mill edge or a slit edge, and has a bright or matte surface finish. It is designed to be coated for added protection against wear and tear, and has a 20# steel grade.

Mild Steel Coil is an ideal choice for a variety of applications due to its carbon steel composition and long-lasting durability. It is also resistant to corrosion, making it the perfect choice for projects that require a high level of protection. Its mill edge or slit edge finish, bright or matte surface finish, and 1219mm 1220mm and 1500mm widths make it a great option for any project.

Mild Steel Coil is an excellent option for a range of projects that require a high-quality, long-lasting material. Its 1000-6000mm length and 20# steel grade provide superior strength and durability, and its coated surface adds an extra layer of protection.

Applications:

Mild Steel Coil is a kind of Q345 steel coil sheets or Q235 MS sheets coil with a minimum order quantity of 1 ton and a coil weight of 4-25 MT, making it an ideal choice for various engineering and construction projects. It has a mill edge, slit edge and surface finish of bright and matte. The width of the steel coil sheets range from 1000-2000 mm and the price ranges from 500-550 USD. The delivery time is 3-5 days and payment terms are 30% T/T 70% before shipping. The place of origin is Shandong and the supply ability is 50000 ton/month. The certification is available and the standard packing ensures the steel coil sheets are safe from damage during transportation.

Customization:

Customized Mild Steel Coil Services are available from Shandong, China. Our Mild Steel Coil is made with ASME GB JIS standard, Steel Coil, Q345 Steel Coil Sheets, and Mild Steel Coil. It has a yield strength of 240 N/mm² (MPa). The edge can be Mill Edge or Slit Edge, and the surface finish can be Bright or Matte. It has a hardness of Soft, Hard, Half Hard, Quarter Hard, or Spring Hard. Minimum Order Quantity is 1 ton, with a price range of 500 - 550 USD. Delivery Time is 3 - 5 days, and Payment Terms are 30% T/T 70% before shipping. The Packaging Details are standard packing, and Supply Ability is 50000 ton/month. Certification is available.

Support and Services:

Our Mild Steel Coil products come with technical support and services to ensure that you receive the best products and services for your needs. Our team of experts is available to answer any questions you may have about our products and services. We also provide on-site installation and repair services, as well as ongoing maintenance and support. Our team is always available to provide assistance and advice, so you can rest assured that your products are in good hands.

Packing and Shipping:

Mild Steel Coil Packaging and Shipping: Mild steel coils are packed in protective wrapping and placed on wooden pallets. The coils are placed in a container made of wooden and steel frames. The container is then sealed and strapped securely to ensure safe shipping. The container is then loaded onto a truck or ship for transportation.

FAQ:

- Q1: Where is the Mild Steel Coil from?**
A1: The Mild Steel Coil is from Shandong, China.
- Q2: Is the certification available?**
A2: Yes, the certification of Mild Steel Coil is available.
- Q3: What is the minimum order quantity?**
A3: The minimum order quantity of Mild Steel Coil is 1 ton.
- Q4: How much does one ton of Mild Steel Coil cost?**
A4: The price for one ton of Mild Steel Coil is between 488 USD and 548 USD.
- Q5: How is the Mild Steel Coil packed?**
A5: Mild Steel Coil is packed in standard packing.
