

0.2-3mm Mild Steel Coil Customized Matte Surface Finish Thickness

Our Product Introduction

For more products please visit us on sheetstainless-steel.com

Basic Information

- Place of Origin: Shandong
- Brand Name: Hailian
- Certification: Available
- Minimum Order Quantity: 1 ton
- Price: Negotiation
- Packaging Details: Standard packing
- Delivery Time: 3 - 5 days
- Payment Terms: 30% T/T 70% before shipping
- Supply Ability: 50000 ton/month

Product Specification

- Width: 1000-2000 Mm
- Material: Mild Steel
- Tensile Strength: 400-550 N/mm²
- Length: 1000-6000 Mm
- Hardness: Soft, Hard, Half Hard, Quarter Hard, Spring Hard Etc.
- Form: Coils, Sheets
- Edge: Mill Edge, Slit Edge
- Coil Weight: 4-25 MT
- Highlight: **Mild Steel Coil 0.2mm,
Matte Surface Steel Mild Coil**

Product Description

Product Description:

Mild Steel Coil is a 20# steel coil made from Q235 MS sheets coil. It has a yield strength of 240 N/mm² (MPa), and its thickness ranges from 0.2 to 3 mm. It is available in various hardness levels, including soft, hard, half hard, quarter hard, and spring hard. The length of the coil is 1000-6000 mm. It is widely used in automobile industry, construction, oil & gas industry, pharmaceutical/chemical industry, etc.

Applications:

Mild Steel Coil is a type of steel product with its origin in Shandong, China. It is available with certification and can be purchased in quantities of 1 ton or more. The price range for Mild Steel Coil is 500 - 550 USD and the product is packed in standard packing and delivered within 3 - 5 days. Payment terms are 30% T/T 70% before shipping. The supply ability of Mild Steel Coil is 50000 ton/month and it is available in the form of coils and sheets. Its widths are 1220mm, 1219mm and 1500mm and it is available in ASME GB JIS standards. It has 20% elongation and 400-550 N/mm² tensile strength. It is available in soft, hard, half hard, quarter hard and spring hard varieties.

Customization:

Mild Steel Coil

Place of Origin: Shandong

Certification: Available

Minimum Order Quantity: 1 ton

Price: 500 - 550 USD

Packaging Details: Standard packing

Delivery Time: 3 - 5 days

Payment Terms: 30% T/T 70% before shipping

Supply Ability: 50000 ton/month

Surface Finish: Bright, Matte

Edge: Mill Edge, Slit Edge

Coil Weight: 4-25 MT

Surface Treatment: Coated

Hardness: Soft, Hard, Half Hard, Quarter Hard, Spring Hard Etc.

Support and Services:

Technical Support and Service for Mild Steel Coil

We provide technical support and services for our Mild Steel Coils. Our experienced professionals are always available to answer any questions you may have and provide advice on installation and maintenance.

We provide a comprehensive suite of services for Mild Steel Coils including assessment and design, installation and commissioning, maintenance, and repair. Our team of experts can assist you in selecting the right mild steel coils for your needs and guide you through the entire process.

We also offer customised solutions for your Mild Steel Coil needs. Our team can create custom designs, develop tailored solutions, and help you meet any specific requirements you may have.

We are committed to providing you with the highest quality service and support for Mild Steel Coils. Our goal is to ensure your complete satisfaction with your purchase and that you get the most out of your product.

Packing and Shipping:

Mild Steel Coil Packaging and Shipping:

The coils are securely packaged in steel pallets and wrapped in heavy duty plastic.

The pallets are then tied and secured with straps to prevent shifting in transit.

The coils are loaded onto the trucks and secured in place with the necessary straps.

The trucks are then driven to the port or other destination.

The coils are offloaded and placed in the necessary containers.

The containers are loaded onto the ships for transport.

FAQ:

Q: What is Mild Steel Coil?

A: Mild Steel Coil is a kind of steel coils made of low carbon steel.

Q: Where is the Place of Origin?

A: The Place of Origin of Mild Steel Coil is Shandong, China.

Q: Is Certification available?

A: Yes, Certification is available for Mild Steel Coil.

Q: What is the Minimum Order Quantity?

A: The Minimum Order Quantity of Mild Steel Coil is 1 ton.

Q: What is the Price range?

A: The Price range of Mild Steel Coil is 506 - 540 USD.
