

Mild Steel Sheets Coil With Mill Edge Yield Strength 240 N/Mm2 (MPa)

Our Product Introduction

For more products please visit us on sheetstainless-steel.com

Basic Information

- Place of Origin: Shandong
- Certification: Available
- Minimum Order Quantity: 1 ton
- Price: Negotiation
- Packaging Details: Standard packing
- Delivery Time: 3 - 5 days
- Payment Terms: 30% T/T 70% before shipping
- Supply Ability: 50000 ton/month

Product Specification

- Application: Automobile Industry, Construction, Oil & Gas Industry, Pharmaceutical / Chemical Industry, Etc.
- Surface Treatment: Coated
- Material: Mild Steel
- Edge: Mill Edge, Slit Edge
- Thickness: 0.2-3 Mm
- Elongation: 20%
- Yield Strength: 240 N/mm2 (MPa)
- Hardness: Soft, Hard, Half Hard, Quarter Hard, Spring Hard Etc.
- Highlight: **Mild Steel Coil with Mill Edge,
240 N/mm2 Mild Steel Sheets Coil,
3Mm Mild Steel Sheets Coil**

Product Description

Product Description:

Mild Steel Coil is a type of steel made of Q235 MS Sheets, which is popularly used for a variety of industrial and engineering applications. It has a wide range of widths available, from 1000mm to 2000mm, with a choice of 1219mm, 1220mm and 1500mm, and a thickness ranging from 0.2mm to 3mm. The edges of the coil can be either Mill Edge or Slit Edge, depending on the requirements. This steel is known for its strength, corrosion resistance and durability, making it ideal for a wide variety of industrial and engineering applications.

Applications:

Mild Steel Coil is a carbon steel coil made of 20# steel. It has an excellent tensile strength of 400-550 N/mm² and its hardness can be customized to be soft, hard, half hard, quarter hard or spring hard. This product has a thickness of 0.2-3 mm, a coil ID of 1219/1220/1500 mm and a surface treatment of coating. It is manufactured in Shandong with a minimum order quantity of 1 ton and a delivery time of 3-5 days. The price is set at 500-550 USD per ton and payment terms are 30% T/T 70% before shipping. Its supply ability is 50000 ton/month. Certification is available upon request.

Customization:

Mild Steel Coil

Place of Origin: Shandong
Certification: Available
Minimum Order Quantity: 1 ton
Price: 500 - 550 USD
Packaging Details: Standard packing
Delivery Time: 3 - 5 days
Payment Terms: 30% T/T 70% before shipping
Supply Ability: 50000 ton/month
Form: Coils, Sheets
Hardness: Soft, Hard, Half Hard, Quarter Hard, Spring Hard Etc.
Edge: Mill Edge, Slit Edge
Elongation: 20%
Material: Mild Steel

Our Mild Steel Coil is made of Q235 MS Sheets Coil, manufactured according to ASME GB JIS standard.

Support and Services:

Mild Steel Coil provides technical support and services to ensure that its customers have a positive experience. Our technical support team is available 24/7 to assist with any problems that may arise while using our products. We provide customer service and technical support via telephone, email, and live chat. Our team of highly skilled technicians are available to answer any questions or provide assistance with installation and configuration. We also offer online tutorials and FAQs to help customers get the most out of their purchase.

Packing and Shipping:

Packaging and Shipping of Mild Steel Coil:

Mild steel coils are packed in either cardboard boxes or wooden boxes. Cardboard boxes are best suited for smaller sizes and lighter weights. For larger and heavier coils, wooden boxes are more suitable. In both cases, the boxes should be lined with waterproof material and the coils should be separated from each other with plastic spacers. The box should also be clearly labeled with the product information.

Shipping of mild steel coils is usually done by freight. The coils should be loaded onto a pallet, secured with straps or shrink wrap, and then loaded onto a truck for transportation. The truck should be covered with a tarp to protect the coils from the elements. The driver should be provided with all necessary information, including the destination and contact information.

FAQ:

Q: What is the place of origin of Mild Steel Coil?

A: The place of origin of Mild Steel Coil is Shandong.

Q: Is certification available for Mild Steel Coil?

A: Yes, certification is available for Mild Steel Coil.

Q: What is the minimum order quantity for Mild Steel Coil?

A: The minimum order quantity for Mild Steel Coil is 1 ton.

Q: What is the price range of Mild Steel Coil?

A: The price range of Mild Steel Coil is 485 - 550 USD.

Q: How is Mild Steel Coil packaged?

A: Mild Steel Coil is packaged in standard packing.

Q: How long is the delivery time for Mild Steel Coil?

A: The delivery time for Mild Steel Coil is 3 - 5 days.

Q: What are the payment terms for Mild Steel Coil?

A: The payment terms for Mild Steel Coil is 30% T/T 70% before shipping.

Q: What is the supply ability for Mild Steel Coil?

A: The supply ability for Mild Steel Coil is 50000 ton/month.
