

## 0.2 - 3mm Bright Mild Coated Steel Coil With 20% Elongation

Our Product Introduction

For more products please visit us on [sheetstainless-steel.com](http://sheetstainless-steel.com)

### Basic Information

- Place of Origin: Shandong
- Brand Name: Hailian
- Certification: Available
- Minimum Order Quantity: 1 ton
- Price: Negotiation
- Packaging Details: Standard packing
- Delivery Time: 3 - 5 days
- Payment Terms: 30% T/T 70% before shipping
- Supply Ability: 50000 ton/month

### Product Specification

- Surface Finish: Bright, Matte
- Width: 1000-2000 Mm
- Coil Weight: 4-25 MT
- Surface Treatment: Coated
- Coil ID: 1219/1220/1500 Mm
- Thickness: 0.2-3 Mm
- Form: Coils, Sheets
- Hardness: Soft, Hard, Half Hard, Quarter Hard, Spring Hard Etc.
- Highlight: **0.2mm Mild Steel Coil,  
Mild Steel Coil with 20% Elongation,  
Bright Mild Coated Steel Coil**

## Product Description

### Product Description:

Mild Steel Coil is a type of carbon steel coil with a width range of 1000mm to 2000mm and a length range of 1000mm to 6000mm. It is made of a mild steel material which is also known as Q235 MS Sheets Coil, and it is widely used in the Automobile Industry, Construction, Oil & Gas Industry, Pharmaceutical / Chemical Industry, and many other sectors. This coil has a mill edge or a slit edge, and its thickness can range from 0.3mm to 10mm. It is also available in 1220mm 1219mm and 1500mm widths. This reliable and durable product is popular for its excellent corrosion resistance, heat resistance, and high strength.

### Applications:

Mild Steel Coil is a kind of steel coil with customized thickness, which is usually made of mild steel. It is widely used in many industries such as construction, transportation, automotive, manufacture, etc. The Place of Origin of Mild Steel Coil is Shandong and Certification is available. The Minimum Order Quantity is 1 ton and the Price varies from 500 to 550 USD per ton. Packaging Details are standard packing and the Delivery Time is usually 3 to 5 days. Payment Terms are 30% T/T in advance and 70% before shipping. The Supply Ability is up to 50000 ton per month. The Thickness of Mild Steel Coil ranges from 0.2 to 3 mm and the Elongation is 20%. The Coil Weight is typically 4 to 25 MT and the Tensile Strength is 400 to 550 N/mm<sup>2</sup>.

### Customization:

We provide customized services for Mild Steel Coil, including thickness, Q345 Steel Coil Sheets, 20# Steel Coil Sheets and other related services. The Place of Origin is Shandong, and the Certification is Available. The Minimum Order Quantity is 1 ton. The Price ranges from 500 to 550 USD. The Packaging Details is Standard packing, and the Delivery Time is 3 to 5 days. The Payment Terms is 30% T/T 70% before shipping. The Supply Ability is 50000 ton/month. The Width ranges from 1000 to 2000 Mm. The Surface Treatment is Coated. The Yield Strength is 240 N/mm<sup>2</sup> (MPa). The Hardness varies from Soft, Hard, Half Hard, Quarter Hard, Spring Hard, etc. The Application includes Automobile Industry, Construction, Oil & Gas Industry, Pharmaceutical/Chemical Industry, etc.

### Support and Services:

We are proud to offer technical support and services for Mild Steel Coil. Our team of experts is available to answer any questions you may have and provide you with the best advice for your project. We can provide installation and maintenance services, as well as training on the proper use of Mild Steel Coil. We also offer a variety of customization options, so you can tailor your purchase to meet your exact needs. Our knowledgeable team is here to help you every step of the way.

### Packing and Shipping:

#### Packaging and Shipping

Mild Steel Coils are typically shipped in individual bundles or in multiple bundles. To ensure the safety and quality of the coils, the coils are wrapped in plastic or shrink-wrapped with a layer of paper or plastic film. The coils are then placed on wooden pallets for easy transportation and loading onto trucks or trains. The pallets are then strapped and secured with metal straps, ensuring a safe and secure delivery.

### FAQ:

- Q:** What is Mild Steel Coil? **A:** Mild Steel Coil is a hot rolled steel product with low carbon content.
- Q:** Where is Mild Steel Coil from? **A:** Mild Steel Coil is from Shandong, China.
- Q:** Is certification available for Mild Steel Coil? **A:** Yes, certification is available for Mild Steel Coil.
- Q:** What is the minimum order quantity for Mild Steel Coil? **A:** The minimum order quantity for Mild Steel Coil is 1 ton.
- Q:** What is the price range of Mild Steel Coil? **A:** The price range of Mild Steel Coil is 500 - 550 USD.
