

Non Alloy Steel Galvanized Pipe Round Square 22mm - 720mm

Basic Information

- Place of Origin: Shandong
- Brand Name: Hailian
- Certification: ISO SGS MTC
- Minimum Order Quantity: 1 ton
- Price: Negotiation
- Packaging Details: Standard packing
- Delivery Time: 3 - 5 days
- Payment Terms: 30% T/T 70% before shipping
- Supply Ability: 50000 ton/month

Product Specification

- Alloy Or Not: Non-alloy
- Size: 22mm - 720mm
- Connection: Standard
- Thickness: As Request
- Special Pipe: Available
- Technique: Hot-dipped
- Shape: Round Square Pipe
- Application: Construction, Machinery, Electronics, Light Industry, Etc.
- Highlight: **Non alloy Steel Galvanized Pipe, 22mm Galvanized Round Pipe**

Product Description

Product Description:

Galvanized Steel Pipe is a kind of pipe made of steel which has been coated with a layer of zinc for protection. It is characterized by its round, square shape, its wide range of sizes from 22mm to 720mm, and its various standards such as ASTM, GB, ASME, JIS and DIN. The thickness of the steel pipe can be customized according to your requirements. Moreover, it also offers DC51D galvanized pipes with 108-720mm thickness and 80g 100g 120g zinc layer, which provides further protection. All these features make it an ideal choice for various projects.

Applications:

Galvanized Steel Pipe, made of Shandong, is of high quality with certification of ISO SGS MTC. It is widely used in Construction, Machinery, Electronics, Light Industry, etc. It is available in 22mm-48mm thickness and DX51D GI tubes. With minimum order quantity of 1 ton, the price ranges from 600-650 USD and the standard packing ensures 3-5 days delivery time. 30% T/T 70% before shipping payment terms and 50000 ton/month supply ability are offered. It is non-alloy and available in round square pipe shape.

Customization:

Galvanized Steel Pipes Tube are widely used in construction, machinery, electronics, light industry, etc. It is made of high-quality steel and is produced with a 57mm - 89mm thickness, place of origin Shandong, and ISO SGS MTC certification. The minimum order quantity is 1 ton, the price is 600 - 650 USD, the packaging details are standard packing, the delivery time is 3 - 5 days and the payment terms are 30% T/T 70% before shipping. The supply ability is 50000 ton/month and the length is 6m or as request. The connection is standard and the shape is round square pipe. The surface treatment is galvanized.

Support and Services:

We provide technical support and services for Galvanized Steel Pipe. Our team of experts is well-equipped to help you with any technical queries you may have about the product. Our highly experienced technicians can assist you in selecting the right product for your needs and provide advice on proper installation.
