

## Hot-Dipped Galvanized Round Steel Pipes Available For Surface Treatment

### Our Product Introduction

For more products please visit us on [sheetstainless-steel.com](http://sheetstainless-steel.com)

#### Basic Information

- Place of Origin: Shandong
- Brand Name: Hailian
- Certification: ISO SGS MTC
- Minimum Order Quantity: 1 ton
- Price: Negotiation
- Packaging Details: Standard packing
- Delivery Time: 3 - 5 days
- Payment Terms: 30% T/T 70% before shipping
- Supply Ability: 50000 ton/month

#### Product Specification

- Thickness: As Request
- Special Pipe: Available
- Alloy Or Not: Non-alloy
- Technique: Hot-dipped
- Material: Galvanized Steel
- Connection: Standard
- Surface Treatment: Galvanized
- Size: 22mm - 720mm
- Highlight: **Hot-dipped Galvanized Round Pipes, Galvanized Round Steel Pipes**

## Product Description

### Product Description:

Galvanized steel pipes are made of DX51D GI tubes, DC51D galvanized pipes and galvanized steel pipes tube. This type of steel pipe is made of galvanized steel and has a thickness of As Request. Galvanized steel pipes are available in different shapes such as round and square pipe. The standard of galvanized steel pipes is ASTM GB ASME JIS DIN EN. The technique used to make galvanized steel pipes is hot-dipped. The length of the galvanized steel pipes is 6m or as request.

### Applications:

Galvanized Steel Pipe, with its Place of Origin from Shandong, is certified by ISO SGS MTC, and the Minimum Order Quantity is 1 ton. The price is 600 - 650 USD per ton, and the standard packing is applied for delivery. The Delivery Time is 3 - 5 days, and the Payment Terms are 30% T/T 70% before shipping. The Supply Ability is 50000 ton/month. The Technique is Hot-dipped, and the alloy is Non-alloy. The Connection is Standard, and the Shape is Round Square Pipe. The Thickness is As Request, and DC51D Galvanized Pipes, 22mm - 48mm thickness, Galvanized Steel Pipes Tube are the key elements of this product.

### Customization:

We offer customized services for Galvanized Steel Pipe. The product has the following attributes:

Place of Origin: Shandong

Certification: ISO SGS MTC

Minimum Order Quantity: 1 ton

Price: 600 - 650 USD

Packaging Details: Standard packing

Delivery Time: 3 - 5 days

Payment Terms: 30% T/T 70% before shipping

Supply Ability: 50000 ton/month

Thickness: As Request, especially for customized 57mm - 89mm thickness.

Size: 22mm - 720mm

Standard: ASTM GB ASME JIS DIN EN

Special Pipe: Available, such as DC51D Galvanized Pipes.

Length: 6m Or As Request.

### Support and Services:

We provide technical support and services for Galvanized Steel Pipe. Our team of experienced professionals are knowledgeable about the product and can help with selecting the best size and type for your needs, as well as provide technical assistance in installing and using the product.

We also offer repair and maintenance services to ensure that your galvanized steel pipe is in good condition. We can inspect the pipe for signs of corrosion, damage, or other issues, and take necessary steps to fix them if needed.

If you have any questions or concerns about our Galvanized Steel Pipe, please contact us and we will do our best to provide you with the answers you need.

### Packing and Shipping:

Galvanized Steel Pipe Packaging and Shipping:

The galvanized steel pipes are packaged in bundles in order to protect them from any damage during transportation. The bundles are wrapped with plastic and then covered in a waterproof material. Each bundle is then labeled for identification purposes. The bundles are placed on wooden pallets for easy loading and unloading. The pallets are secured with straps to ensure that the pipes remain in place during transportation. The pipes are then loaded onto trucks and shipped to their destination.

### FAQ:

Q: Where does the Galvanized Steel Pipe come from?

A: The Galvanized Steel Pipe comes from Shandong, China.

Q: Does the Galvanized Steel Pipe have any certifications?

A: Yes, the Galvanized Steel Pipe has ISO SGS MTC certifications.

Q: What is the minimum order quantity for the Galvanized Steel Pipe?

A: The minimum order quantity for the Galvanized Steel Pipe is 1 ton.

Q: How much does the Galvanized Steel Pipe cost?

A: The Galvanized Steel Pipe costs between 600 and 650 USD.

Q: How is the Galvanized Steel Pipe packaged?

A: The Galvanized Steel Pipe is packed in standard packaging.

Q: How long does it take to deliver the Galvanized Steel Pipe?

A: It takes 3 to 5 days to deliver the Galvanized Steel Pipe.

Q: What payment terms do you accept for the Galvanized Steel Pipe?

A: We accept 30% T/T 70% before shipping for the Galvanized Steel Pipe.

Q: What is the supply ability of the Galvanized Steel Pipe?

A: The supply ability of the Galvanized Steel Pipe is 50000 ton/month.
