## Product Description

### Product Description:

Seamless steel pipes are widely used in various industries, such as construction, machinery, electronics, oil, water, agriculture and other fields. Our seamless steel pipes are made of premium quality MS Q235 and 45# carbon steel, which are in line with GB, EN, ASTM, DIN and JIS standards. The seamless steel pipes we provide come in sizes of 22 - 720mm OD, and lengths of 6m, or as requested. These pipes are well-packaged and carefully handled to ensure maximum safety during transit. Our seamless steel pipes are highly durable and dependable, making them a perfect choice for any project.

### Applications:

Hailian Seamless Steel Pipe is made of high-quality 45# carbon steel with customized thickness, which ranges from 22mm to 89mm Outer Diameter (OD). This product is certified with ISO, SGS, and MTC. It also offers surface treatment and customization, and the standard package length is 6m or as per request. With the minimum order quantity of 1 ton, the price of Hailian Seamless Steel Pipe is 655 - 770 USD/ton. It can be delivered within 3 - 5 days, and the payment terms are 30% T/T and 70% before shipping. The supply ability of this product is 50000 ton/month.
