#### Basic Information

- Place of Origin: Shandong
- Brand Name: Hailian
- Certification: ISO SGS MTC
- Minimum Order Quantity: 1 ton
- Price: Negotiation
- Packaging Details: Standard packing
- Delivery Time: 3 - 5 days
- Payment Terms: 30% T/T 70% before shipping
- Supply Ability: 50000 ton/month

#### Product Specification

- Standard: GB EN ASTM DIN JIS
- Material: Steel
- Surface Treatment: Standard (Can Be Oiled Or Painted)
- Package: Standard
- Length: 6m Or As Request
- Wall Thickness: As Request
- Type: Seamless
- Customization: Available
- Highlight: **20# Steel Seamless Pipes,  
Surface Treatment Seamless Pipes**

## Product Description

### Product Description:

Seamless Steel Pipe is a kind of tubing that is manufactured from a solid round steel billet and is processed by means of hot rolling, cold rolling or cold drawing processes. It has an outer diameter of 89 - 168mm, and a wall thickness of 20#. The length of the steel pipe can be customized according to customer requirements, and is generally 6m in length. The surface treatment of the seamless steel pipe is generally standard, and it can be oiled or painted. The seamless steel pipe is widely used in construction, machinery, electronics, oil, water, agriculture and other fields. It has passed the certification of the international standard GB, EN, ASTM, DIN and JIS. Customization is available for customers to meet their different needs.

### Applications:

Seamless Steel Pipe Applications: -----

Hailian Seamless Steel Pipe is available in sizes from 89-168mm OD with custom thickness and 6m length or as per request. With ISO SGS MTC certification, our seamless steel pipes are available in Steel material, and are of seamless type. Hailian seamless steel pipes come in standard packaging, and can be customized according to your needs. With a minimum order quantity of 1 ton, the price of our seamless steel pipes ranges from 655-770 USD/ton. Our supply ability is 50000 ton/month and delivery is only within 3-5 days after payment. Shandong Hailian is a reliable and trusted provider when it comes to seamless steel pipes.
