

## 304 Stainless Steel Decoration Pipe For MIRROR / SATIN / Matt Black Surface

### Our Product Introduction

For more products please visit us on [sheetstainless-steel.com](http://sheetstainless-steel.com)

#### Basic Information

- Place of Origin: Wuxi
- Brand Name: Hailian
- Certification: ISO SGS MTC
- Minimum Order Quantity: 1 ton
- Price: Negotiation
- Packaging Details: Standard packing
- Delivery Time: 3 - 5 days
- Payment Terms: 30% T/T 70% before shipping
- Supply Ability: 50000 ton/month

#### Product Specification

- Origin: Jiangsu China(Mainland)
- Process: Cold -rolling
- Packaging: Standard Export Package
- Outer Diameter: Customized
- Surface: MIRROR / SATIN / Matt Black
- Packing: Standard Seaworthy Package
- Corrosion Resistance: High
- Business Type: Manufacturer
- Highlight: **304 Stainless Steel Decoration Pipe,  
SATIN Stainless Steel Decoration Pipe**

Product Description:

Stainless Steel Pipe Tube

Stainless Steel Pipe Tube is a high-quality product that is manufactured by a reliable manufacturer in Jiangsu China. This product is perfect for various industries, including construction, transportation, and manufacturing. It is known for its durability, strength, and corrosion resistance, making it a popular choice among customers.

Product Overview

The Stainless Steel Pipe Tube is made from 400 Series, 304, 201, and 316L stainless steel, ensuring its high-quality and long-lasting performance. It is available in various sizes, ranging from 4mm to 2500mm (1/8"inch-120"inch) in outside diameter, providing customers with a wide range of options to choose from.

Invoicing by Actual Weight

We understand the importance of accurate pricing for our customers. That's why our invoicing is based on actual weight, ensuring fair and transparent pricing for every purchase. This also helps in eliminating any discrepancies and ensures customer satisfaction.

Business Type: Manufacturer

We take pride in being a manufacturer of Stainless Steel Pipe Tube. Our state-of-the-art facilities and experienced team allow us to produce high-quality products that meet the industry standards. We have a strict quality control process in place to ensure that our customers receive the best products.

Steel Grades Available

400 Series Stainless Steel  
304 Stainless Steel  
201 Stainless Steel  
316L Stainless Steel

Our Stainless Steel Pipe Tube is available in various steel grades, allowing customers to choose the one that best suits their needs. Each steel grade has its own unique properties, making our product suitable for different applications.

Origin: Jiangsu China(Mainland)

Our Stainless Steel Pipe Tube is proudly made in Jiangsu, China, known for its high-quality manufacturing and strong industrial presence. We source our materials from trusted suppliers and use advanced technology to ensure the best quality product for our customers.

Features:

Product Name: Stainless Steel Pipe Tube

Grade: 304, 201, 316, 304L, 420, 430, 410, 310S

Surface: MIRROR / SATIN / Matt Black

Steel Grade: 400 Series, 304, 201, 316L

Business Type: Manufacturer

Thickness: As Request

Stainless Steel Hollow Bar

Stainless Steel Capillary Tube

304 Stainless Steel Pipes

316 Stainless Steel Pipes

Technical Parameters:

Technical Parameters	Value
Product Name	Stainless Steel Pipe Tube
Corrosion Resistance	High
Packing	Standard Seaworthy Package
Process	Cold -rolling
Origin	Jiangsu, China (Mainland)
Business Type	Manufacturer
Thickness	As Request
Outside Diameter	4mm to 2500mm (1/8" inch - 120" inch)
Outer Diameter	Customized
Welding Line Type	ERW
Steel Grade	400 Series, 304, 201, 316L
Product Type	Stainless Steel Hydraulic Tube, Stainless Steel Decoration Pipe, Stainless Steel Hollow Bar

## Applications:

### Stainless Steel Pipe Tube - Versatile and Durable

When it comes to pipes and tubes, there is no better choice than stainless steel. Known for its durability, versatility, and corrosion resistance, stainless steel pipes and tubes are widely used in various industries and applications. One of the leading manufacturers and exporters of stainless steel pipes and tubes is Hailian, based in Wuxi, China.

Brand Name: Hailian

Hailian is a trusted brand in the stainless steel industry, known for its high-quality products and excellent customer service. With years of experience and expertise, Hailian has become a go-to choice for many industries and customers.

Place of Origin: Wuxi

All Hailian's stainless steel pipes and tubes are manufactured in Wuxi, a city famous for its steel industry. Wuxi is home to many steel manufacturing companies and is known for its high-quality steel products.

Certification: ISO SGS MTC

Hailian's stainless steel pipes and tubes are certified by ISO, SGS, and MTC, ensuring that they meet international standards of quality and safety. These certifications also reflect the company's commitment to providing the best products to its customers.

Minimum Order Quantity: 1 ton

At Hailian, you can place an order for as little as 1 ton of stainless steel pipes and tubes. This makes it easier for small businesses and individuals to access high-quality stainless steel products at affordable prices.

Price: 2300-2518 USD/ton

The price range for Hailian's stainless steel pipes and tubes is between 2300-2518 USD per ton, making it a cost-effective option for various applications. The exact price may vary depending on the quantity, specifications, and delivery location.

Packaging Details: Standard packing

All Hailian's stainless steel pipes and tubes are packed in standard seaworthy packaging to ensure safe transportation and delivery. This packaging also protects the products from any damage or corrosion during transit.

Delivery Time: 3 - 5 days

Hailian has a quick and efficient delivery system, with a standard delivery time of 3-5 days. This makes it an ideal choice for urgent orders or projects with tight deadlines.

Payment Terms: 30% T/T 70% before shipping

Hailian accepts payment through a secure and convenient mode of 30% T/T (Telegraphic Transfer) and 70% before shipping. This allows customers to make payments in a hassle-free manner and ensures a smooth transaction process.

Supply Ability: 50000 ton/month

Hailian has a robust production capacity of 50000 tons per month, making it capable of meeting the demands of large orders and projects. This also ensures a steady and timely supply of stainless steel pipes and tubes.

Packing: Standard Seaworthy Package

As mentioned earlier, all Hailian's stainless steel pipes and tubes are packed in standard seaworthy packaging to ensure safe delivery. This packaging includes wrapping the products in plastic or bubble wrap and then packing them in wooden cases or pallets for added protection.

Thickness: As Request

Hailian offers a wide range of thickness options for its stainless steel pipes and tubes. Customers can specify their required thickness, and the products will be manufactured accordingly to meet their specific needs and applications.

Welding Line Type: ERW

Hailian's stainless steel pipes and tubes are manufactured using the Electric Resistance Welding (ERW) method, which ensures a strong and seamless joint. This welding technique also makes the pipes and tubes more durable and resistant to corrosion.

Invoicing: By Actual Weight

Hailian follows a fair pricing policy and invoices its customers based on the actual weight of the products. This means customers only pay for the amount of stainless steel they receive, ensuring transparency and fairness in the transaction.

Origin: Jiangsu China(Mainland)

Hailian's headquarters and manufacturing facilities are located in Jiangsu, China, which is the largest steel-producing province in the country. This strategic location allows the company to have easy access to raw materials and efficient transportation for its products.

Stainless Steel Decoration Pipe - Ideal for Interior Design

Hailian's stainless steel decoration pipes are perfect for adding a touch of elegance and modernity to any interior design. With their smooth and shiny surface, these pipes are suitable for various decorative elements such as stair railings, furniture, and lighting fixtures.

Stainless Steel Welded Pipe - Strong and Reliable

For industrial and structural applications, Hailian's stainless steel welded pipes are an ideal choice. Made with high-quality stainless steel and welded using advanced techniques, these pipes are strong, durable, and resistant to corrosion, making them suitable for heavy-duty usage.

Stainless Steel Decoration Pipe Manufacturers

Hailian is a leading manufacturer of stainless steel decoration pipes, with a wide range of sizes, shapes, and finishes available. The company's state-of-the-art manufacturing process ensures the highest quality products that meet international standards.

Stainless Steel Tube Exporters - Trusted Worldwide

With its commitment to quality and excellence, Hailian has become a trusted exporter of stainless steel tubes worldwide. The company's products are highly sought-after in various countries, including the USA, Europe, South America, and the Middle East.

In conclusion, Hailian's stainless steel pipes and tubes are a versatile and durable option for various applications and industries. With its brand reputation, certifications, fair pricing, and efficient delivery, the company has become a preferred choice for many customers worldwide. So, if you're in need of high-quality stainless steel pipes and tubes, look no further than Hailian.

## Customization:

Customized Services for Stainless Steel Pipe Tube

**Brand Name:** Hailian

**Place of Origin:** Wuxi

**Certification:** ISO, SGS, MTC

**Minimum Order Quantity:** 1 ton

**Price:** 2300-2518 USD/ton

**Packaging Details:** Standard packing

**Delivery Time:** 3 - 5 days

**Payment Terms:** 30% T/T, 70% before shipping

**Supply Ability:** 50000 ton/month

**Process:** Cold-rolling

**Packing:** Standard Seaworthy Package

**Outer Diameter:** Customized

**Thickness:** As Request

**Grade:** 304, 201, 316, 304L, 420, 430, 410, 310S

This product offers customized services for stainless steel pipes and tubes, including:

Stainless Steel Hydraulic Tube

Stainless Steel Exhaust Pipe

Stainless Steel Round Tube

Stainless Steel Square Tube

Stainless Steel Rectangular Tube

## Support and Services:

Technical Support and Services for Stainless Steel Pipe Tube

Technical Support

Our team of highly skilled engineers and technicians are dedicated to providing top-notch technical support for our Stainless Steel Pipe Tube products. We offer comprehensive assistance throughout the entire product lifecycle, from initial design and development to installation and maintenance.

Our technical support services include:

Expert consultation for product selection and customization

Design optimization for specific applications

Material recommendations and analysis

Failure analysis and troubleshooting

On-site technical assistance

24/7 remote support

Services

In addition to our technical support, we also offer a range of services to ensure the success of your Stainless Steel Pipe Tube projects.

Our services include:

Custom fabrication and machining

Surface finishing and treatment

Product testing and certification

Logistics and transportation

Installation and commissioning

Maintenance and repair

With our technical support and services, you can trust that your Stainless Steel Pipe Tube products will meet your exact specifications and perform at the highest level. Contact us today to learn more!

## Packing and Shipping:

Packaging and Shipping of Stainless Steel Pipe Tube

Stainless steel pipe tube is carefully packaged to ensure safe and secure delivery to our customers. The packaging process includes the use of high-quality materials and techniques to protect the product from damage during transportation. Our packaging options are designed to meet the needs of various shipping methods and destinations.

Packaging Options:

Wooden crates

Plastic bags

Carton boxes

Bundles

Pallets

We also offer customized packaging options based on the specific requirements of our customers.

Shipping Methods:

We offer a variety of shipping methods to ensure timely delivery of our stainless steel pipe tube products. These include:

Sea freight

Air freight

Land transportation

Express delivery

Our team works closely with our shipping partners to ensure efficient and reliable delivery of our products to our customers.

Shipping Documents:

Along with our products, we provide all necessary shipping documents to ensure smooth customs clearance and compliance with international trade regulations. These documents include:

Commercial invoice

Packing list

Certificate of origin

Bill of lading

Inspection certificate

Our commitment to excellent packaging and shipping practices ensures that our customers receive their stainless steel pipe tube products in top condition and on time.

## FAQ:

Q: What is the brand name of this product?

A: The brand name of this product is Hailian.

Q: Where is this product produced?

A: This product is produced in Wuxi.

Q: What certifications does this product have?

A: This product is certified with ISO, SGS, and MTC.

Q: What is the minimum order quantity for this product?

A: The minimum order quantity for this product is 1 ton.

Q: What is the price range for this product?

A: The price for this product ranges from 2300 to 2518 USD per ton.

Q: How is this product packaged?

A: This product is packaged in standard packing.

Q: How long does it take for this product to be delivered?

A: The delivery time for this product is 3 to 5 days.

Q: What are the payment terms for this product?

A: The payment terms for this product are 30% T/T and 70% before shipping.

Q: What is the supply ability for this product?

A: The supply ability for this product is 50000 ton per month.
