

Mild Steel Wires Low Carbon Steel Rope In Coil ISO9001 14mm 13mm Thickness Steel Wire In Roll

Our Product Introduction

Basic Information

- Place of Origin: Shandong
- Brand Name: Hailian
- Certification: ISO
- Model Number: Mild Steel Wires
- Minimum Order Quantity: 1 ton
- Price: Negotiation
- Packaging Details: Standard seaworthy packing
- Delivery Time: 3 - 5 work days
- Payment Terms: L/C, T/T
- Supply Ability: 1000 ton per month

Product Specification

- Name: Low Carbon Steel Rope
- Grade: Q235
- Thickness: 14mm 13mm
- Coil Weight: As Requirement
- Stock: Large Amount Ready Stock
- Coil Length: Customer's Need
- Color: Bright Black
- Sample: Available
- Standard: ISO9001
- Technique: Hot-rolled / Cold-drawn
- Highlight: **13mm Mild Steel Wires, 14mm Mild Steel Wires, low carbon steel rope wire**

Product Description

Mild Steel Wires Low Carbon Steel Rope In Coil ISO9001 14mm 13mm Thickness Steel Wire In Roll

Product Description

Difference between Mild Steel Wire and High Tensile Steel Wire

Mild Steel Wire (MS Wire) and High Tensile Steel wire are the types of steel wires. Both of them have different compositions, properties, and applications. In this blog, we will discuss all the differences between MS Wire and High Tensile Steel Wire. Let's discuss them one by one.

Composition:

MS Wire –

MS Wire also known as Mild Steel Wire has very low carbon content ranging from 0.05% to 0.25%. Sometimes manganese, silicon, sulphur, and phosphorous, are also added along with carbon to enhance the properties of Mild Steel Wire.

High Tensile Steel Wire –

High Tensile Steel Wire has a higher carbon content than mild steel wire. It has a carbon content ranging from 0.6% to 0.9%. Chromium, vanadium, and molybdenum are also added to the high-tensile steel wire to increase its strength and enhance its properties.

Product Properties

Standard	AISI, ASTM, GB
Place of Origin	Shandong, China
Alloy Or Not	Is Alloy
Delivery Time	15-21 days
Application	Buildings, traffic barriers, handicrafts, etc
Special Use	Cold Heading Steel
Model Number	q195

Brand Name	Hailian
Processing Service	Pickling, Drawing, Cold-drawing
Product name	Mild Steel Wire
Length	Customized Length
Diameter	0.1-16mm Customizable
Technique	Cold Drawn Hot Rolled
Tensile strength	350-550N/mm2
Certificate	ISO9001 CE
PAYMENT TERM	30%TT Advance + 70% Balance
Packing	Coil Packing

Company Profile

Shandong Hailian Steel Group has deeply engaged in Chinese domestic market for over 10 years. We established perfect reputation and deep co-operations with large number of reliable partners. Our high-tech factory and well-trained workers are able to manufacture best quality and highly customized metal products. The professional sales team guarantees the perfect trading experience with Hailian.

The goal of Hailian is doing our best to offer our clients best service and product quality with lowest price. We are looking

forward to deal business with you!

FAQ

1.What products and materials do you supply?

Our company mainly supplies all catalogs and all grades of steel and stainless steel products. Coils, strips, sheet, pipes, bars, beams, flanges and other customized products. Tin coating, Ti coating, galvanization and other surface treatments are also available.

Other than steel products, we also has high production capacity and holds large ready stock of all kinds of copper and aluminum products. Please feel free to consult us about any related products above, we can surely meet your requirements.

2.How can I make sure you are a reliable supplier?

Our company is willing to provide our copies of company registration certificate and Chinese exporting registration for you to view. These certificates are under Chinese Trading Law effect. They can help you officially check our company s capability and status.

On the products' side, certificates as Mill Test Certificate(MTC), Third Party Material Quality Conformity Certificate and other required certificates are available before the order. Samples are also available from us for you to test in your own testing facility. Hailian Steel also supports third-party inspection before shipping. Hailian Steel also welcomes a company tour for you to check our factory status.

3.Is sample providing service available?

Our company provides free samples to our clients. We usually also cover the sample shipping cost. Please feel free to order a sample from us.
