

EN S185 Low Mild Steel Coils Rolled Carbon Steel In Coil Customized Size Packing

Our Product Introduction

Basic Information

- Place of Origin: Shandong, China
- Brand Name: Hailian
- Certification: MTC SGS ISO available
- Model Number: EN S185
- Minimum Order Quantity: 1 ton
- Price: Negotiation
- Packaging Details: Standard seaworthy packing
- Delivery Time: Depend on Quantity
- Payment Terms: L/C, T/T
- Supply Ability: 1000 ton per month

Product Specification

- Name: EN S185 Carbon Steel Coil
- Surface: Hot-rolled Cold-rolled Carbon Steel
- Thickness: AS Needs
- Certificate: MTC SGS ISO Available
- Color: Black Or Silver
- Application: Industry Tube
- Standard: EN S185
- Technique: Welding, Decoiling
- Highlight: Low Mild Steel Coils, EN S185 Mild Steel Coils, Customized Size Mild Steel Coils

Product Description

EN S185 Low Mild Steel Coils High Quality Rolled Carbon Steel In Coil Customized Size Packing

Product Description

Carbon steel coil is a type of coil made of carbon steel, which has high strength, high hardness, good wear resistance and hardenability. It is widely used in various fields such as mechanical manufacturing, automobile manufacturing, construction, bridges, container manufacturing, etc.

Ingredients and manufacturing process

The main components of carbon steel coils are iron and carbon, and may also contain small amounts of elements such as silicon, manganese, phosphorus, sulfur, etc. Carbon steel is usually processed into coil form through hot rolling or cold rolling processes.

application area

Carbon steel coils are widely used in various industries such as construction, manufacturing, shipbuilding, and automobiles. Its quality and performance are directly related to the safety and service life of the product, so strict testing is crucial.

Product Properties

Place of Origin	Shandong, China
Type	Cold Rolled Steel Sheet
Delivery Time	Depend on quality
Standard	ASTM, GB, JIS, EN
Brand Name	Hailian
Type	Steel Coil
Technique	Cold Rolled
Surface Treatment	Polished

Application	construction
Special Use	High-strength Steel Plate
Width	400-1600mm
Length	2-5M
Processing Service	Bending, Welding, Decoiling, Cutting, Punching
Product Name	Hot Rolled Steel Plate
Keyword	High Strength Plate
MOQ	1 Ton
Length:	as required
Packing	Standard Seaworthy Packing
Material	Q235/Q235B/Q345/Q345B/Q195/St37/St42/St37-2/St35.4/St52.4/St35
Surface	BA/2B/NO.1/NO.3/NO.4/8K/HL/2D/1D
Payment term	L/C T/T (30% Deposit)
Usage	Building Construction Material
Price term	CIF CFR FOB EX-WORK

Company Profile

Shandong Hailian Steel Group Co., LTD is one of the biggest manufacturer and distributor of mild and alloy steel in North-eastern China. We are located in Jinan City, Shandong Province which is the biggest base of mild steel products in China.

The major products of Shandong Hailian Steel Group includes mild steel coils, mild steel sheets, mild steel pipes and mild steel sections. The factory and office area of Shandong Hailian Steel Group is around 20000 m² with different workshops and warehouses for different products.

All our equipment are imported from Germany, Japan and America, they are high-tech automatic production line including de-coil production line, laser and water pressure cutting production line, galvanized production line, prepainting production line, welding production line and etc.

Shandong Hailian Steel Group is not just a expert stainless steel manufacturer, but also a experienced exporting company. In order to make sure our clients get best purchasing experience from Shandong Hailian Steel Group Co., LTD, our sales team and customer service team will provide our clients best service in purchasing and after-sale experience.

Shandong Hailian will be your best choice on consuming mild steel products. We really hope we could co-operate with reliable clients in long-term basis. Lets work together and win together.

FAQ

1. What products and materials do you supply?

Our company mainly supplies all catalogs and all grades of steel and stainless steel products. Coils, strips, sheet, pipes, bars, beams, flanges and other customized products. Tin coating, Ti coating, galvanization and other surface treatments are also available.

Other than steel products, we also has high production capacity and holds large ready stock of all kinds of copper and aluminum products. Please feel free to consult us about any related products above, we can surely meet your requirements.

2. Why should I choose you?

Our company has deeply engaged in metal material market for over 15 years. We established perfect reputation world-widely. Craftsmanship spirit is the fundamental of our company since we are established. Hailian Steel keeps our products as highest quality and lowest price to maintain our self competitive. Proving our clients with best trading experience is the goal we always insist of.

3. Is sample providing service available?

Our company provides free samples to our clients. We usually also cover the sample shipping cost. Please feel free to order a sample from us.
