

## Customized Service DX51D Hot Dipped Galvanized Steel Pipe Special

### Our Product Introduction

For more products please visit us on [sheetstainless-steel.com](http://sheetstainless-steel.com)

#### Basic Information

- Place of Origin: Shandong
- Brand Name: Galvanized steel pipe
- Certification: ISO SGS MTC
- Minimum Order Quantity: 1 ton
- Price: 600 - 650 USD
- Packaging Details: Standard packing
- Delivery Time: 3 - 5 days
- Payment Terms: 30% T/T 70% before shipping
- Supply Ability: 50000 ton/month

#### Product Specification

- Shape: Round Square Pipe
- Surface Treatment: Galvanized
- Standard: ASTM GB ASME JIS DIN EN
- OD: 1mm - 720mm
- Special Pipe: Available
- Connection: Standard
- Thickness: As Request
- Application: Construction, Machinery, Electronics, Light Industry, Etc.
- Highlight: **DX51D Galvanized Steel Pipe,  
Customized Service Galvanized Steel Pipe,  
Hot-dipped Technique Steel Pipe**

## Product Description

### Product Description:

The Galvanized Steel Pipe is a versatile product that is commonly used in various industries due to its durability and strength. This product is available with a standard connection, making it easy to install in different applications. The special pipe feature adds to its versatility, allowing it to be used in a wide range of projects.

With an outer diameter ranging from 1mm to 720mm, the Galvanized Steel Pipe is suitable for different requirements and applications.

Whether you need a small diameter pipe for electronics or a larger one for construction projects, this product has you covered.

The Galvanized Steel Pipe is ideal for use in construction, machinery, electronics, light industry, and more. Its hot-dipped technique ensures that the steel is coated with a layer of zinc, providing protection against corrosion and extending the lifespan of the pipe.

When it comes to dimensions, the Galvanized Steel Pipe is available in various sizes to suit different needs. With a thickness of 108 - 720mm and lengths of 6m or 12m, this product offers flexibility and convenience for your projects.

Overall, the Galvanized Steel Pipe is a reliable and durable product that is suitable for a wide range of applications. Whether you are working on a construction project, machinery installation, or electronics manufacturing, this product provides the strength and protection you need.

### Applications:

The minimum order quantity of 1 ton makes it accessible for various projects, while the price range of 600 - 650 USD offers affordability without compromising on quality. The standard packaging ensures safe delivery, with a short lead time of 3 - 5 days. Customers can avail of convenient payment terms of 30% T/T and 70% before shipping.

With a supply ability of 50000 tons per month, customers can rely on a steady source of Galvanized Steel Pipes Tubes in various sizes ranging from 108 - 720mm in thickness. The product meets standards such as ASTM, GB, ASME, JIS, DIN, and EN, catering to different project requirements.

The hot-dipped technique used in manufacturing ensures durability and longevity, making the Galvanized Steel Pipes Tubes suitable for outdoor and industrial applications. The round and square pipe shapes offer versatility in installation, fitting various design needs.

Customers can request specific thicknesses as needed, providing customization options for different projects.

### Customization:

Product Customization Services for Galvanized Steel Pipes Tube:

- Brand Name: Galvanized steel pipe
- Place of Origin: Shandong
- Certification: ISO SGS MTC
- Minimum Order Quantity: 1 ton
- Price: 600 - 650 USD
- Packaging Details: Standard packing
- Delivery Time: 3 - 5 days
- Payment Terms: 30% T/T 70% before shipping
- Supply Ability: 50000 ton/month
- Shape: Round Square Pipe
- Alloy Or Not: Non-alloy
- Technique: Hot-dipped
- Thickness: As Request
- Standard: ASTM GB ASME JIS DIN EN
- Zinc Layer: 80g 100g 120g

### Packing and Shipping:

Product Packaging:

Our Galvanized Steel Pipes are carefully packaged to ensure they arrive in perfect condition. Each pipe is wrapped in protective material to prevent scratches and damages during transportation. The pipes are then placed in sturdy cardboard boxes or wooden crates for added protection.

Shipping:

We offer reliable and efficient shipping services for our Galvanized Steel Pipes. Our team works with trusted carriers to ensure timely delivery to your desired location. We aim to provide a seamless shipping experience for our customers, with tracking information available upon request.

### FAQ:

**Q: What is the brand name of the galvanized steel pipe?**

**A: The brand name of the galvanized steel pipe is Galvanized steel pipe.**

**Q: Where is the galvanized steel pipe manufactured?**

**A: The galvanized steel pipe is manufactured in Shandong.**

**Q: What certifications does the galvanized steel pipe have?**

**A: The galvanized steel pipe is certified with ISO, SGS, and MTC.**

**Q: What is the minimum order quantity for the galvanized steel pipe?**

**A: The minimum order quantity for the galvanized steel pipe is 1 ton.**

**Q: What is the price range of the galvanized steel pipe?**

**A: The price of the galvanized steel pipe ranges from 600 to 650 USD.**
